SCHOOL OF
DATA SCIENCE

[View as Webpage](#)

We know things are getting busy as we approach the end of the semester but making sure you read all the information in the newsletters will make sure you don't miss any important details! Make sure you're getting registered for the upcoming semesters and submitting your resume to our resume book if you are still looking for an internship. There are great events happening this month, so make sure to mark your calendars for the last two Wednesday Seminars, Picnic in the Park hosted by Student council and Internship presentations!

Important
INFORMATION

Summer And Fall Registration: NOW Open!

It's time to register for Summer and Fall classes! Registration started on April 4. Check your account for any holds and be sure to submit your authorization requests if you haven't already for [Summer](#) and [Fall](#). Reach out to Carly (cfletcher@uncc.edu) with any questions.

This summer and fall the SDS is offering several special topics courses for students enrolled in the DSBA and HIA programs. Course descriptions are below.

SPECIAL TOPICS COURSES

Summer & Fall 2022 Assistantship Applications

NOW OPEN!

The SDS is now accepting Graduate Assistantship applications for the Summer 2022 term and Fall 2022 semester. Students actively enrolled, as well as newly admitted students in the DSBA or HIA program, are eligible to apply. SDS funded Assistantships are usually 10 or 20-hours a week assignments. The SDS has special requirements for students holding these positions. You can read more on your respective program's website under the "Current Student" tab.

[DSBA APPLICATION](#)

[HIA APPLICATION](#)

Seeking a Summer Internship?

For those of you still actively seeking Summer 2022 internship placements, We are inviting interested and eligible HIA and DSBA graduate students and Data Science Undergraduate students to submit their resumes for an informal SDS resume book. You need to be on track to complete the required credit hours by the start of next semester (HIA MS- 12 credits/DSBA MS- 21 credits). We will share the responses with any potential employer seeking summer interns candidates. Please make sure that you have carefully proofread your resume before uploading the document. We strongly encourage you to take advantage of UNC Charlotte's Career Center and its virtual services.

Feel free to use the link below to submit your resume.

On Track To Graduate?

DegreeWorks is a web-based planning tool that provides an accurate display of required coursework and helps students monitor their progress towards graduation.

Students can access their real-time audit in DegreeWorks via my.uncc.edu and should routinely check their progress towards degree completion.

For any required courses that are in the Fall Through or Not Counted sections of DegreeWorks submit an Academic Petition that requests the courses be counted towards your program requirements.

If you believe your audit contains errors or the requirements do not match the catalog, students should contact:

Josh Hertel: jhertel@uncc.edu

Carly Mahedy: cfletcher@uncc.edu

If you began in the Certificate program and transferred to the Master's program:

Please review your DegreeWorks for both your certificate and master's program and complete an application to graduate from both programs.

Mark Your CALENDAR

IMPORTANT DATES

- May 3: Last day of classes
- May 4: Reading Day
- May 5-12: Final Exams
- May 13: Commencement

The last two SDS Wednesday Seminars of the year!

First off, "Senior Executives are from Mars, Data Scientists are from Venus: Bridging the Language Barrier." For data scientists, success is not always about the quality of your data. The ability to effectively communicate with non-data scientists is every bit as critical. Philipp Maier manages Bank of America's Operational Excellence and drives transformational projects at Bank of America. He has built his success at BOA on his ability to bridge this gap. Please register to join us for an in-person session at CCB on Wednesday, April 20th at 4:00 pm.

The last SDS seminar of the semester is reserved for CapTech Consulting, IT Consulting With Captech. Wednesday, April 27th at 4:00. This will be in-person at Center City. Lynn Johnson, DSBA alumna, will lead the session exploring careers in consulting.

SDS Picnic in the Park - April 30 | 12:00pm-4:00pm

This event will be a chance for you to connect with HIA and DSBA alumni, faculty, and students in a social setting. Don't miss this chance of making some lifelong connections and having fun along the way. The event will take place at the Hauser Alumni Pavilion.

Data Matters Short Courses - August 8-12

Data Matters™ is a week-long series of one and two-day courses aimed at students and professionals in business, research, and government. It is sponsored by the Odum Institute for Research in Social Science at UNC-Chapel Hill, the National Consortium for Data Science, and RENCi. The short course series gives students the chance to learn about a wide range of topics in data science, analytics, visualization, curation, and more from expert instructors. The event will take place during **August 8 - 12, 2022**. It will be **virtual via zoom**.

Registration is now open. Reserve your spot now!

RESOURCES

What Does an Internship Presentation Look Like?

Planning on completing your internship this summer? Curious as what the final presentations look like? Join in this semester's HCIP/DSBA 6400 Internship presentations. Dr. Hague has invited any current student to participate in either of the virtual presentations. Please join and learn from your peers! Zoom links below.

Thursday Internship Presentations
April 28th, 4:00 pm- 7:00 pm

Friday Internship Presentations
April 29th, 4:00 pm- 7:00 pm

Some of the companies that students interned with this semester include:

- Qintess
- Albemarle Corp.
- Goodwill Industries of the Southern Piedmont
- Siemens
- Care Ring
- EPRI
- TIAA
- Wells Fargo
- urbanCORE
- Bank of America
- Jones Lang LaSalle
- Torqata Data and Analytics
- 7-Eleven
- LabCorp Drug Development
- NASCAR
- American Tire Distributors
- Old Well Partners
- Human Trafficking Legal Center
- Pillar4 Media
- Credit Karma
- Collins Aerospace

The School of Data Science has joined [Coursera for the Campus Basic Plan](#). DSBA and HIA graduate students, and the Data Science undergraduates have access to more than 4,000 courses in the Coursera catalog. Students must request access by completing the google form below. Participants will receive an email confirmation from SDS and from Coursera with an invitation to set up an account.
